

Information:

Dentistry is constantly evolving.

Better techniques, better materials and innovative technology all working towards treatments that can be **longer lasting, more aesthetic, less invasive and less traumatic.**

If you would like to make a consultation appointment please ring 01702 352 450 or visit the practice in person.

Our aim is to make you as **comfortable** as possible whilst providing **excellent, professional dental care.**

Our private dental practice fees are based on an hourly rate and inclusive of any laboratory costs.

We use what we consider to be the **best materials** and **best practice** at all times.

All treatments provided are **guaranteed for 12 months** unless you are advised otherwise before the treatment is provided.

We would like all our patients to feel able to discuss any type of treatment without obligation.
